**Subject:** Rescission of Un-awarded FY 10 Earmark for Tri County Joint Municipal Water Authority

Good Afternoon-

The message is to notify you that EPA plans on rescinding \$381,000 in un-awarded FY10 appropriations. The money was appropriated to go Tri County Joint Municipal Water Authority in FY10, for water treatment infrastructure projects. Congressman Murtha was the original sponsor, due to redistricting and his no longer being in office the Municipal Authority is in part of your district. EPA has worked with the Municipal Authority since 2010 and has not received an application for the money, the appropriation has a 45% local match which they have not been able to secure. EPA was informed in December 2011 by their consultant they would not be applying for this money, EPA confirmed this in August 2013. Please let me know if you have any questions.
